**MICHAEL JAMES ARMSTRONG: *LINE & FUZZ***

MARCH 9 – APRIL 13, 2019

SATURDAY, MARCH 9TH: OPENING RECEPTION FROM 11 AM-1 PM

Quint Gallery is pleased to present new work by San Diego artist Michael James Armstrong March 9 through April 13, 2019. There will be a morning reception for the artist Saturday, March 9th from 11 am to 1 pm. The artist will be present and the public is invited.

*LINE & FUZZ* is Armstrong's second exhibition at Quint Gallery. It will consist of ink drawings and spray painted works on paper, all geometric in nature.

Asked to comment on his body of work, Armstrong says,

*It does not interest me to try and influence in any way how someone should engage with my work. Much like a magician not revealing how a trick is done before the audience has seen it. It is importante to me that my own personal ideas or intentions not color how one views my work. The magic is in the wonder of one's own experience.*
